## DESCRIPTION

The course is aimed at law students and professionals who are non-native English speakers with a focus on the fundamentals of international legal English of Anglo-Saxon and Anglo-American jurisdictions in practice.

The required level of general English proficiency is intermediate to upper intermediate. Course will be held 100% in English.

## EXPECTATIONS AND GOALS

The main goals of the course are:

- > to increase law practitioners' range of vocabulary of Legal English,
- > to practise and increase comprehension of legal texts in various areas of law with a hands-on approach,
- > to gain confidence in communicating in applied Legal English language, both in speaking and writing,
- > to extend the knowledge of International Legal English practice.

## PROSPECTIVE STUDENTS

- > Graduate students and lawyers.

## METHODOLOGY

A broadly communicative methodology and a text and task-based approach are used. Pair and group work is an important part of the learning process. The reading texts are authentic or semi-authentic and provide context for international English legal vocabulary.
